Initial Salk vaccine inoculations were completed in Adams County this morning when 279 boys and girls in East Berlin and York Springs received the anti-polio shots.

The mass inoculations, performed by 15 county physicians and a staff of nurses, nurses' aides and volunteer clerks under the general supervision of Dr. C. G. Crist, Adams County medical director, were given to a total of 2,140 boys and girls of the first two grades of the public and parochial schools of the county.

The work began Monday morning and was completed at noon today with those who missed the initial "shots" by reason of absence to get the inoculations next week. Dr. Crist said the boys and girls in the Day Care Center for Retarded Children here also will receive the first inoculations next week.

At East Berlin this morning 175 children were inoculated by Dr. Leon Roos of East Berlin. Twenty were absent. Parents had refused to sign consent slips for 20 others and consents which had been given for four others were withdrawn this morning.

130 Barred By Parents
A tabulation of reports for the week show that about 130 children did not receive the shots because parents had declined to sign consent slips. There were 111 who were absent and are expected to get the "shot" next week.

BLOSSOMS TO BE AT PEAK THIS WEEKEND

With the help of the weatherman, apple orchards are going to be at the peak of their spring beauty this weekend when the Adams County Fruitgrowers' Association has planned its apple blossom events.

Ten days ago it was feared the blossoms would be past the most colorful stage by this weekend but the cloudy, cool weather of the last few days delayed the blossoms to what the growers described today as "perfect timing."

A hundred fruit growers were being enlisted today to serve as guides Sunday for private cars and buses that will tour the orchard belt Sunday afternoon. The guides will be available at headquarters at the Biglerville high school grounds and at the highway information on stands that are being set up.

President Invited

Miss Nancy Tate, Adams County's apple blossom queen, will preside over Sunday's events and will be at Biglerville headquarters to welcome visitors and to greet any dignitaries that appear.

Invitation have been sent to President and Mrs. Eisenhower, Governor George M. Leader, State Senator Donald P. McPherson, Assemblyman Francis Worley and Judge W. C. Sheely to be official guests.

Growers said today: every indication points to record-breaking numbers of visitors in the fruit section over the weekend. Wide radio and newspaper publicity has been given the blossom events and a Harrisburg bus company will run excursions to the county.

It was announced today that the smorgasbord of apple dishes at the Biglerville High School will be set up in the cafeteria instead of on the grounds outside as originally planned.

TO HAVE SERVICES

Rev. Laverne Rohrbaugh, pastor of the United Brethren Church of Biglerville, will officiate at the funeral of Gilbert L. Lupp, late of Biglerville and Rehoboth, Delaware, to be held Saturday morning at 10 o'clock at the Dugan Funeral Home, Bendersville.

John William Eyler, 65, High St., Arendtsville, was fatally hurt, and five others received injuries of varying degree when a State Highway Department truck overturned at 3:30 o'clock Thursday afternoon at Center Mills.

Dr. C. G. Crist, Adams County coroner, said death came instantly to Mr. Eyler, from a fractured skull, when he was thrown from the overturning vehicle.

The truck, according to state police, was operated by Flavus F. McKenrick, 56, Biglerville R. 1, and was headed east into Center Mills with three men in the cab, and five including Mr. Eyler, seated on a board across the bed of the dump truck just back of the cab.

Wheels "Seemed To Lock"

Also in the bed of the dump truck were about a half ton of stone and two barrels of tar. The vehicle was towing a wheeled tar kettle.

The group was headed for the highway shed along the Fairfield Rd. here after completing its day's work on the highways. State Policeman James A. Treas, who investigated, said.

McKenrick told Dr. Crist and the policeman that the wheels of the big truck "seemed to lock" as he attempted to steer it around a slight curve. The truck went off the side of the road and upset.

Has Fractured Pelvis

Some of the men, State Policeman Treas said, were trapped under the bed of the truck when it came to rest. McKenrick and Francis McGlaughlin, Franklin St., Fairfield, another occupant of the cab of the truck and the only two of the group uninjured, had to dig away some of the stone to make a passage permitting the men under the truck to crawl out, according to the policeman.

Gettysburg's ambulance was called and brought the five injured men to the Warner Hospital here.

John F. Mickle, 62, Gettysburg R. 3, was found to be suffering from a fractured pelvis, lacerations and abrasions of the face and a dislocated shoulder. He was admitted as a patient at the hospital.

Others Injured

Harry H. Mumper, 44, York Springs R. 1, has a sprained spine, contusions of the right side of the chest, brushburns of the forearm and a left shoulder injury.

C. Russell Baker, 66, Gettysburg R. 1, had brushburns of the face and a contused right shoulder.

William E. Sinsley, 59, Orrtanna, suffered a fractured rib, a contused back and brushburns of the shin.

Clair Foulk, 53, 647 S. Washington St., had brushburns of the face and scalp and a contusion of the left hip.

In "Fair" Condition

Only Mr. Mickle remained as a patient at the hospital following treatment. His condition was listed as "fair" by the hospital this morning.

The tar kettle towed by the truck also upset and spilled its contents over the road, police said.

Damage to the State Department of Highways vehicle was estimated by police at \$400.

John William Eyler, fatally injured in the crash, was born in Liberty Twp., a son of the late John A. and Viola (Eyler) Eyler. He had been employed by the state highway department twice, this last time for a year and a half. Prior to that he had been head farmer at the Adams County home for 13 years. That marked his second period as farmer at the county home. His wife served as matron at the home during

Kammerer Jr., met on January 20, 1937, at the home of Dr. Phreaner for the purpose of establishing the Littlestown Fish and Game Association. W. A. Bair was elected to serve as first chairman of the group.

It was noted that the charter was received in 1941; the Fish and Game farm grounds were purchased in 1948; club house erected on the farm in 1949 and a farm pond was constructed later that same year. Activities during the years include several sportsmen's shows, carnivals, shooting matches, contributions to charity, packages sent to men in the armed forces, sponsoring of the first honor roll, and the purchase of rabbits and pheasants and feeding wild life.

Biglerville's undefeated baseball team spotted Newville three runs in the first inning and then smacked out a 13-4 win over Newville on the latter's field Thursday. Coach Dick Allison's clan pounded out 13 hits and sewed up the victory with five runs in the second and six in the fifth.

All scoring was done in the fifth inning as New Oxford upset York Springs 6-2 in a game at New Oxford. The victory elevated Coach Russ Schmeitler's team to seventh place and showed winless York Springs into the cellar. Wiseman's single to deep right field plus a wild throw to the infield accounted for three runs in a six-run uprising by New Oxford in the fifth frame.

Junior Prom, one of the prettiest in years. The juniors had a fountain gushing perfume all evening and each gal went home with a small bottle of the "sweet smelling stuff." Real cute idea!!! Course most of the juniors were so tired they couldn't enjoy it. Don't worry kids, next year, you'll be able to relax . . .

Billy Hoelt Wins Again For Detroit Tigers; Yanks Clip Athletics As Chisox Tumble

By ED WILKS
The Associated Press

Billy Hoelt, a lefty who has lost twice as many as he's won for Detroit in the past, told Manager Bucky Harris this spring that this is the season he becomes a winner. "Show me," said Harris.

So far, the kid's been showing him plenty. And since he started winning, the Tigers have been unbeatable, riding a five-game winning streak to within half a game of the American League lead.

It was Hoelt, a 22-year-old with three major league seasons behind him, who started the streak, shutting out the defending champion Cleveland Indians 3-0 on three hits last Saturday. And it was Hoelt again last night as the Tigers won No. 5, beating the Washington Senators 4-1.

Migh Have Been First

Hoelt whittled his earned run average down to 0.95, with Washington's lone tally unearned. He walked only one and struck out six.

Except for some shabby fielding and wild pitching by the Kansas City Athletics last night, the Tigers would be in first place today with Cleveland instead of sharing second with the Indians. The A's failures allowed the New York Yankees an 11-4 triumph and with it the Bombers jumped back into the lead.

Chicago's hit Sox tumbled out of first in a day game, losing to Boston and Ivan Delock, who spun a three-hitter for a 3-1 victory. Cleveland and Baltimore were idle.

Brooks Beat Cubs

In the National, Brooklyn opened up a four-game spread over second place Milwaukee, coming from behind to beat the Chicago Cubs 4-2.

The Braves were beaten by Willie Jones' homer in the ninth last night at Philadelphia 3-2. Cincinnati broke up a six-game losing streak 3-2 at Pittsburgh under the lights and New York's Giants beat St. Louis 6-4 at the Polo Grounds.

The Yanks tagged five Kansas City pitchers for 13 hits — including a two-run homer by Mickey Mantle — but ran three runs across in the sixth without a single safety. Two hit batsmen, three walks and an error that prevented the third out accounted for the gifts.

Delock, a 25-year-old right-hander, didn't give the White Sox anything more potent than a single, but Chicago paired two of them with a walk to spoil his shutout in the seventh. Ivan had them hitless to that point.

Another For Roberts

Brooklyn was handcuffed by the Cubs' Bob Rush until the seventh. Then the Dodgers scored four—three on Carl Furillo's seventh home run—to overcome a 2-0 Chicago lead provided by Rush's home run in the fifth. Clem Labine was the winner.

Philadelphia also had a tough time getting hits until late in the game. Gran Hamner led off the eighth with a double, only the third hit allowed by Lew Burdette, and scored on a fly to tie it at 2-2, setting up Jones' winning blow in the ninth. Robin Roberts was the winner.

The Cardinals, idle all week, blew a three-run lead in the fourth when the New Yorkers scored four times and the Redbirds committed three of their four errors. That wiped out the benefit of Stan Musial's two-run homer and sent Harvey Haddix to his first defeat. Jim Hearn won his third.

Wes Santee Tries Again Saturday

DES MOINES, (AP)—That elusive American four-minute mile may come from Wes Santee's long legs tomorrow.

Thwarted by only the thinnest of time margins in the past, the former University of Kansas distance runner may achieve his goal in an invitational mile, the feature attraction of the final day of the Drake Relays.

Relays Director Tom Deckard said: "If he is as good as he was at Texas he'll break four minutes."

Santee raced to an American record of 4:00.5 at the Texas Relays this spring.

Deckard ticked over several reasons for his statement: The rebuilt track, fastest in history here; an enthusiastic Drake Relays crowd, always pro-Santee in his other performances here; and capable rivals.

Eastern League

By THE ASSOCIATED PRESS
Off to a stumbling start in the Eastern League's first week, Binghamton's pitching staff was well clear of Manager Snuffy Stirnweis dog house today.

The Yankee farmhands, who used 10 pitchers in dropping their first three games, evened their won-loss record last night as lighthander Frank Lucas blanked Schenectady, 5-0, on two hits. It was the third complete game for Triplett hurlers and the second straight shutout.

Tom McCarthy had limited the Jays to three singles Wednesday. But the Triplets couldn't pick up any ground on first-place Reading, which whipped host Wilkes-Barre, 5-3, last night for its sixth victory in seven starts.

In other league action, visiting Williamsport edged Albany, 4-3, and Allentown nipped Elmira 3-2.

The local teams will participate in the Class B events.

Both teams will roll in the singles and doubles events Saturday at 5 p.m. They will roll their team matches Sunday morning.

SMITH MEETS BISLINGHOFF

PINEHURST, N.C. (AP)—Dave Smith, whose fine play in the North and South Amateur Golf Tournament this week has been a revelation, met another "tiger" today in the 18-hole semifinals, 20-year-old Don Bislinghoff, of Orlando, Fla.

The winner will move into the 36-hole finals tomorrow against the survivor of the match between Bill Campbell, the Walker Cup player from Huntington, W. Va., and Ed Gravelly, 34-year-old tobacco man from Rocky Mount, N.C.

Smith confessed he hadn't expected to be here this long and has had to buy additional clothing. The 28-year-old automobile dealer from Gastonia, N.C., who stands 6-5 and weighs 240, removed any doubts as to his skill and courage under pressure in the quarter-finals yesterday when he took a heart-stopping, pressured 21-hole duel from Dale Morey, Walker Cup player and former professional from Indianapolis.

Big Dave was the only player to stay even with par over the 7,000-yard No. 2 course of the country club, and he did it for 21 holes.

Bislinghoff, a confident youngster who has won the last three Florida state amateur titles, took a medal play, ousted Glenn Johnson, of Grose Ile, Mich., 2 and 1. He finished one over par.

Bullets Notch 5th Win By Defeating Blue Jays; At Penn State Saturday

Lefty Joe Foulk hurled three-hit ball while the Gettysburg College baseball team took full advantage of miscues on the part of Johns Hopkins as the Blue Jays topped the Blue Jays 9-1 at Baltimore, Thursday.

The victory hiked the Blue Jays' record to 5-1 and dropped John Hopkins' mark to 3-3.

A scoreless tie was broken in the fifth inning when the Blue Jays tallied three times. Woodington walked and was forced by Hendley. Duka was hit by a pitched ball. Both advanced on a wild pitch and when the catcher threw wildly, both tallied. Schalick walked, stole second and scored on Polak's single.

Three more runs came in the sixth via a single by Foulk, double by Alleva, single by Gilchrist, a passed ball and an error.

In the ninth the Blue Jays added three runs for good measure on safeties by Heidelberg, batting for Duka, Schalick and Swenk and two miscues.

The only run for Johns Hopkins was registered in the last of the fifth. Alford and Davis singled and Radek walked to fill the bases. Cox filed to Polak in center and Alford scored after the catch.

On Saturday the Blue Jays play at Penn State University. They meet Lehigh here next Thursday, Georgetown on Friday and engage Franklin and Marshall at Lancaster on Saturday.

MAJOR COLLEGE EVENTS TOP PENN RELAYS

PHILADELPHIA (AP)—Four major college events feature today's opening program of the 61st annual Penn Relay Track and Field meet with Morgan State's Josh Culbreath and Manhattan's Bob Sbarra sharing the spotlight as defending champions.

A record entry of more than 3,100 athletes will compete in the two day carnival with eight college relay titles, four high school, two preparatory and 11 special event championships to be decided. The extravaganza's annual feature, the Ben Franklin Mile, won't be run this year because Penn officials were unable to gather a top flight field.

Culbreath will seek his third consecutive 400 meter hurdle crown in the first big event of the meet. He again faces the challenge of Cornell's Andy Dadagian, runnerup last year, and Temple's Santee Ruffin, tied for third in 1954.

Two Titles Undefended

Pittsburgh's great half miler, Arnold Sowell, was originally scheduled to face Culbreath. But Pitt coach Carl Olson decided to use him instead in the mile, spring and distance medley relays.

Sbarra's main competition in the two mile run should come from George Terry, Boston U's ICA indoor champion, and cross country titlist, Don Townsend, St. John's (Brooklyn), second indoors this winter, is another threat in the event won by Sbarra in 9:27.4 on Franklin Field last April.

The other two championships to be defended, Stew Thomas, of Yale, is favored to take over the discus championship held the past two years by Michigan's Roland Nilsson, Villanova, Penn State, Cornell, Pittsburgh, Manhattan, Camp Lejeune and New York University will run for the medley crown won last year by Oklahoma A&M in 10:08.

Lincoln Speedway Races Tonight

HANOVER—Junie Taylor, Lincoln Speedway point champion of 1954, heads up a field of local favorites who will be challenging NASCAR's top drivers when the Pigeon Hills stock car racing strip begins its seven-month spring, summer and fall run tonight at 8:30.

The Lincoln oval, a fine half-mile dirt track that operated under the banner of the Penn-Mar Auto Racing Association the last two years, has signed for this season with the National Association for Stock Car Auto Racing, Inc., and promoters have a crack field of more than 35 drivers ready for the five-event inaugural program.

Taylor, of Rising Sun, Md., will be behind the wheel in Car No. 65, owned by Bud Hummer, York, competing against the likes of Johnny Roberts, Baltimore, 1953 National Sportsman's Division champion, who won Maryland State titles three of the past four years, finishing second in the '54 campaign; arch-rival Walt Ragan, crowdpleasing daredevil from Taylor's home town, and Red Kagle, Washington, D. C., who will be piloting Car 141, most successful stock in NASCAR competition in Maryland last year.

The other two championships to be defended, Stew Thomas, of Yale, is favored to take over the discus championship held the past two years by Michigan's Roland Nilsson, Villanova, Penn State, Cornell, Pittsburgh, Manhattan, Camp Lejeune and New York University will run for the medley crown won last year by Oklahoma A&M in 10:08.

MAJOR COLLEGE EVENTS TOP PENN RELAYS

PHILADELPHIA (AP)—Four major college events feature today's opening program of the 61st annual Penn Relay Track and Field meet with Morgan State's Josh Culbreath and Manhattan's Bob Sbarra sharing the spotlight as defending champions.

A record entry of more than 3,100 athletes will compete in the two day carnival with eight college relay titles, four high school, two preparatory and 11 special event championships to be decided. The extravaganza's annual feature, the Ben Franklin Mile, won't be run this year because Penn officials were unable to gather a top flight field.

Culbreath will seek his third consecutive 400 meter hurdle crown in the first big event of the meet. He again faces the challenge of Cornell's Andy Dadagian, runnerup last year, and Temple's Santee Ruffin, tied for third in 1954.

Two Titles Undefended

Pittsburgh's great half miler, Arnold Sowell, was originally scheduled to face Culbreath. But Pitt coach Carl Olson decided to use him instead in the mile, spring and distance medley relays.

Sbarra's main competition in the two mile run should come from George Terry, Boston U's ICA indoor champion, and cross country titlist, Don Townsend, St. John's (Brooklyn), second indoors this winter, is another threat in the event won by Sbarra in 9:27.4 on Franklin Field last April.

Favor Vejar To Defeat Italian

SYRACUSE, N.Y. (AP)—Chico Veja, the fighting colossus, is a 3-1 favorite to beat Italy's Paolo Melis tonight and stretch his latest unbeaten string to 10.

The two welterweights meet in a 10-rounder at the War Memorial Auditorium.

NBC will broadcast and telecast at 9 p.m., EST.

This is Vejar's second straight TV bout in the auditorium. The 23-year-old NYU dramatic student from Stamford, Conn., outpointed Billy Graham for the second time April 1. In his last nine scraps, he won eight and drew in the other with Jed Black. His record is 60-4-1, including 31 knockouts.

Melis, 25 former Italian welterweight king, has won four in a row, all over minor opposition. His record is 33-7-2.

The Class B Piedmont league launches its 36th baseball season tonight.

Undaunted by past financial reverses and optimistic that this will be the year that interest in minor league baseball revives, the eight-team loop opens its 140-game slate with the following lineup of games: Norfolk at Portsmouth, Lynchburg at Newport News, Sunbury at Hagerstown, York at Lancaster.

Portsmouth, given good weather, expects to attract the heaviest opening-night crowd—a gathering of 4,000. Newport News anticipates a turnout of 3,500 while a crowd of 2,500 is foreseen at Hagerstown and one of 2,000 at Lancaster.

Sunbury, Pa., the fourth new city admitted into the Piedmont in the past three years, won't make its home debut until Sunday. Neither will Lynchburg, an oldtime member of the league lodge. York and Lancaster make their bows before the hometown folks tomorrow night.

Sunbury — which like Hagerstown, Lancaster and York is a former member of the defunct Class B Interstate League — replaces Colonial Heights — Petersburg, Va. Norfolk will be seeking an unprecedented fifth straight pennant. The Tars, who copped the pennant last year with a typical late season sprint, look ready to make their bid early this summer. They have a seasoned club, one that should be a contender all the way unless the other clubs come up with better than usual outfits.

Cancel Cincy Bout For Title Scrap

CINCINNATI (AP)—The Cincinnati Boxing Commission agreed yesterday to cancellation of a 10-round bout between Wallace (Bud) Smith and Johnny Lombardo, Mount Carmel, Pa., with the proviso that the International Boxing Club give the Pennsylvania boxer several good televised engagements.

Promoter Sam Becker asked the commission for permission to cancel Smith's bout with Lombardo so that the former might give all his attention to training for a June 1 lightweight title fight with Jimmy Carter in Boston.

Becker said he had the assurance of the IBC, promoters of the Carter-Smith fight, that Lombardo would get to meet either Sugar Ray Robinson or Johnny Saxton in Cincinnati May 21 or May 28.

Sugar Ray, on the comeback trail, won a close hard bout from Lombardo several weeks ago.

The Smith-Lombardo contest was signed just a few days before the Cincinnati lightweight was offered a chance to meet Carter for the title.

Coach Howard Shoemaker's Gettysburg High School baseball team opened its South Penn League schedule Thursday afternoon by defeating Chambersburg on the latter's field 5-2.

Joe Lang's Shippensburg outfit blanked Hanover 1-0 as Bill Weaver limited the Nighthawks, defending champs, to one hit.

Glenn Hartzell, Gettysburg hurler, held Chambersburg to six hits, all singles. The Warriors also collected six hits, Cloyd Spence contributing a triple and Sant Staley a double.

Staley's double and a single by Ed Kane produced a run for the locals in the second inning. Another run in the third came via a single by Fred Furney, his steal of second, and two infield outs.

Chambersburg tied the count in the third on singles by Thomas, Verdier and Stewart, plus two Warrior miscues.

In the top of the fourth Gettysburg tallied again to break the tie on a single by Dick Hise, a fielder's choice, and two Trojan errors.

Insurance runs were picked up in the fifth. Hartzell was safe on an error and Gary Keefe singled. Spence then poled his triple to score both runners.

Korean War Forces U.S. To Reverse Stand On Formosa

WASHINGTON (AP)—This is a quick look at history.

How did the United States get deeply involved with Chiang Kai-shek, with the island of Formosa where he has his Nationalist government, and with the Matsu and Quemoy islands, where he has gar-

ison outposts?
Chiang, boss of China since 1927, was an American ally in World War II. In 1943 at a Cairo conference President Roosevelt, Prime Minister Churchill and Chiang agreed China should get back Formosa after the defeat of Japan. Japan had held Formosa since 1895, when the Chinese, then under

OLDER PUPILS MUST WAIT FOR SALK VACCINE

By GEOFFREY GOULD
NEW YORK (AP)—Suppose your children aren't in the first or second grade. How do you get Salk polio vaccine shots for them?

The answer is you don't right now. You must wait — how long isn't clear. Possibly your family doctor may begin getting some through commercial channels in two weeks or a month. More likely it will be longer.

Last week Health Secretary Oveta Culp Hobby called a meeting in Washington of dozens of medical men and health officials to set up a voluntary program of commercial distribution that will be fair to everyone.

Inoculate 9 Million
The National Foundation for Infantile Paralysis, which backed the development of the Salk vaccine, has first call on what is produced by the six participating pharmaceutical companies.

The foundation has ordered enough vaccine for nine million children, enough to cover all children in the first and second grades of all public, parochial and private schools.

That is what the foundation is distributing now free of charge. It started in the South, because the polio season starts earlier there. It worked northward through the states and now expects to complete the job—including Alaska—by May 6.

What the pharmaceutical houses produce above this requirement is what will go into commercial channels. The firms will sell it like any other drug they produce.

If your children are preschool age, or older than first and second graders, you will have to pay to have them immunized.

A tiny amount of Salk vaccine has been distributed to private doctors, but it was only a token shipment.

Chicago Apartment, Hotel Fires Kill 12

CHICAGO (AP)—Separate fires in a hotel and an apartment building claimed at least 12 lives Thursday. The bodies of eight victims, including that of a fire captain, were recovered from ruins of the Green Mill Hotel. The other four victims, including three children, died in the apartment house blaze.

Twenty-two residents of the four-story hotel, near downtown Chicago, leaped from upper floor of the hotel and were injured.

Coroner Walter J. McCarron and a fire department official declared the hotel blaze was set by an arsonist. Police said they were seeking to determine if both fires resulted from arson.

EDEN READY FOR BIG 4 MEETING AFTER TREATIES

LONDON (AP)—Prime Minister Eden said Thursday he is ready to participate in a Big Four meeting "at the summit" as soon as the treaties to rearm West Germany are ratified.

Replying to Laborite questions about when he proposed to meet with Soviet Premier Nikolai Bulganin, Eden told the House of Commons:

"It was agreed by the Allies that before there could be useful talks with Soviet Russia, the Paris agreements (rearming West Germany) must be ratified and progress made with the Austrian treaty.

"Fortunately progress has been made with both these matters. . . . As a result of the recent progress, the way is now clear so far as we are concerned and we

are anxious to explore with the Soviet government the possibility of reaching agreement on all outstanding matters between East and West.

The Paris agreements are due for final ratification May 5. The last of the 15 nations to act on the treaties—The Netherlands—reached a final vote Thursday.

Recently the Soviet Union ex-

pressed desire to conclude an Austrian independence treaty—an act which the Western Big Three had always set as a test of Russian sincerity in relaxing world tension.

The Big Four ambassadors in Vienna will meet there May 2 to settle outstanding questions on the treaty. This will be followed by a Big Four foreign ministers meeting to sign the pact.

The part of Asia that lies outside the Soviet Union contains more than half the world's population.

A MAN OF FAITH AND ACTION

2 Chronicles 17:1-7; 19:4-7
Key Verse: Deal courageously, and may the Lord be with the upright. 2 Chronicles 19:11

Jehoshaphat came to the throne of Judah at an early age, and followed his father, Asa, in giving his country a good administration. He had grown up during the years when his father was leading his people through various reforms most of which were religious. It is believed that the son shared in governing Judah in the last few years of Asa's reign. Surely the young prince had the advantage of having a God-fearing father.

A three-fold progressive program was undertaken by Jehoshaphat. Because of his native ability as an organizer and long-range planner, he was able to carry Asa's reforms much further by establishing a foundation for national righteousness. Consequently, he began by carefully planning a nation-wide

program of religious education. It proved to be a real teaching mission and the only one of its kind recorded in the historical books of the Old Testament. This was one of the most thorough ventures in adult education ever attempted by a Hebrew king.

Thus, in the third year of his reign, the far-seeing king sent his princes into all the cities of Judah to teach "the book of the law of the Lord." The princes organized the teaching mission while the actual teaching was done by priests and Levites. The latter were not priests, so it really was a mission conducted mostly by laymen. It set a precedent for the disciples of Jesus' day. Many of the evangelism programs carried out today are done through the lay members of the Church.

Although Jehoshaphat lived at Jerusalem he himself went out, covering the land from Beer-sheba to Ephraim and bringing the peo-

ple back to God. He succeeded in wiping out the worship of idols and "the Asherim," another medium of false worship. By keeping his finger on the "pulse" of the people and by his consistent, thorough program, he won the people from their idolatrous ways.

Another far-reaching part of his program was to appoint judges in all the fortified cities of Judah. These he instructed as follows: "Consider what you do, for judge not for man but for the Lord; he is with you in giving judgment. Now then, let the fear of the Lord be upon you; take heed what you do for there is no perversion of justice with the Lord our God, or partiality, or taking bribes." Jehoshaphat felt that if these city judges were honest and just, there could be no reason for anyone to reject God. It seems he also established a supreme court in Jerusalem.

A third important part of his program was to establish peace with Israel. Originally he had believed in preparedness and, in view of constant conflicts with Israel, had strengthened all Judah's military posts. As time went on, he realized that fortifications were both costly to erect and to main-

tain, and wondered if the people would eventually depend upon military power instead of putting their trust in God. True, he did make an unfortunate alliance with King Ahab of Israel in an attempt to retake Ramoth-Gilead from the Syrians. This ended in failure with Ahab mortally wounded, and he himself injured. However, it was well-intentioned and showed that the king was determined to establish a lasting peace.

Two characteristics of Jehoshaphat — man of faith and action — stand out strongly: (1) His evangelistic spirit which led him to the remotest corners of his kingdom to convert his people to the worship of the true God; (2) his tremendous courage and determination in uprooting idolatry and in establishing local judiciaries which would not yield to corruption. These foundations for national righteousness were not easily earned, but the Kingdom of Judah was much stronger spiritually at the close of Jehoshaphat's active and successful reign.

Because "his heart was courageous in the ways of the Lord" Judah prospered as well as the king. God brought the increase and rewarded the king for his faithful-

ness. Jehoshaphat was well named for his name means "Jehovah judges." If every leader of government would adhere to the law of the Lord as laid down in the Holy Scriptures and would dare to take a stand for truth and justice, there would be fewer opportunities for international tensions. Furthermore, when a Christian statesman takes a stand, the Christian citizens of the land should support him. EVERYONE WELCOME

GOD at home

God is everywhere! And yet we speak of a church as God's House.

Well, man is everywhere. His planes soar above the clouds, his mines tunnel through the earth, his rails span mountains and plains, his ships ply the seven seas.

And yet, every man cherishes the one place he calls home. He cherishes it not for its location or appearance, but for the love and companionship he has experienced there.

In similar spirit man has thought it no blasphemy to call each church the House of God. For He Who made man in His own image must feel the same compelling attraction for the scene of His communion with those He loves.

The greatest honor you can bestow on a friend is to invite him into your home. Each hour of worship God invites you into His.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

GOVERNOR'S CRITICS ARE CHALLENGED

HARRISBURG (P)—Gov. George M. Leader has challenged critics of his proposed budget to point out specifically any unnecessary appropriation.

"I do not want a cent in taxes from the people of this state that isn't necessary for the community welfare of the state," he said.

"But when they talk of 'fat' in the budget I want them to be specific."

Wants 30 Millions

In a speech prepared for a conference marking Mental Health Week in Pennsylvania next week the governor promised he will "fight as hard as I know" for an additional 30 million dollars to conduct the state's mental health program in the next two years.

"That is a lot of money but it is still less—much less—than the experts told Secretary Shapiro (Harry Shapiro, secretary of welfare) he ought to have," the governor added.

He said he had urged the Legislature to conduct public hearings on the record 134 billion dollar budget he proposed 10 days ago.

"I have an honest belief in the

slogan that if you give the people light they will find their own way," the governor explained.

Must Justify Budgets

"In that belief I urged our legislative leaders to hold public hearings on this budget—to find out for themselves and to display to the people just what it is we are proposing to do with their money."

"I do not want an appropriation in the budget which cannot be justified in terms of public service," he said.

He said he expects state department heads to "justify their budgets in terms of service." At the same time he expects the Legislature to "justify major reductions in terms of priorities—to make the hard choices and make them honestly and be accountable for them."

The budget calls for 142 million dollars for mental rehabilitation.

He told the group meeting at nearby Mechanicsburg he particularly wants to know if "they (critics) consider a program to raise the standards of our treatment of mental disease in Pennsylvania as budget 'fat' or budget 'muscle'."

PENNSY SHOWS 3 MONTH GAIN

PHILADELPHIA (P)—A big drop in operating expenses and an increase in freight revenues for the first three months of 1955 culminated in its best first quarter earnings since 1945, the Pennsylvania Railroad reported Wednesday.

The nation's largest rail carrier said in its three-month statement it made a net profit of \$7,112,005, compared with a loss of \$5,898,894 for the same period last year and a profit of \$6,540,211 in the first quarter of 1953.

In the first quarter of 1945 the PRR netted \$17,999,943, but not since then has the railroad reported early year earnings at the level for January, February and March, 1955.

More than half of this year's first quarter profit was made in March—\$4,139,446. A year ago the PRR lost \$229,807 in March.

Freight revenues totaled \$7,035,147 (\$5,370,515 for March alone) the first quarter of 1955 and operating expenses dropped \$9,838,039 below a year ago. Expenses were up \$225,470 in March, however, compared with that month a year ago.

Another factor in the railroad's best first quarter in 10 years was the reduction in taxes. President James Symes said, down \$1,135,494 over the same period of 1954. However, he said, the railroad's passenger, mail and express business continued to drop.

HOLLYWOOD (P)—Movie actress Susan Hayward has slammed the door shut on the reconciliation hopes of her ex-husband Jess Barker.

The actor, who flew here from New Orleans after Miss Hayward was found near her death from an overdose of sleeping pills Tuesday, still hasn't been able to see her.

She refused to see him in Cedars of Lebanon Hospital. Through a press agent of her movie studio she issued a statement Wednesday, saying: "There is not the slightest possibility of a reconciliation."

TOMORROW IS DEADLINE FOR "COLLECTORS"

WASHINGTON (AP)—Tomorrow is the final deadline for something like a million of Uncle Sam's new tax collectors — the householders who pay a domestic helper an average of \$4 a week or more.

The new social security law that went into effect Jan. 1 qualified domestic help for social security if they make \$50 a quarter, or more, from any one employer. That figures out to about \$4 a week.

The householder is required to make the social security payments, and the first one is due no later than tomorrow.

Payments are due for any help around the house who earned as much as \$50 during January, February and March, including a baby sister, maid, handyman, landlady, cook, housekeeper, gardener, janitor, furnaceman, governess, valet, butler, chauffeur or other help.

What Law Requires
Here is what the law requires the householder to do:

1. Deduct 2 per cent of the employee's cash wages.

2. Add another 2 per cent from your own pocket. (If you prefer, you may pay the entire 4 per cent, deducting none from your employee's wages.)

3. Get from your local internal revenue or social security office a form — which is an envelope — called "Employer's Quarterly Tax Return for Household Employees." You fill this in and mail it with the 4 per cent tax to your district director of internal revenue. He then puts you on a mailing list, and sends you a form near the end of each quarter.

4. At the end of the calendar year, give your employee an accounting, in writing, of social security payments for him during the year.

DIE IN CRASH

WILMINGTON, Del. (AP)—A small plane crashed in an open field on the outskirts of Wilmington yesterday, killing its three occupants. The victims were Floyd Q. Quillen, 37, of Wilmington; Winfield S. Pratt, 35, of Elsmere; and Francis Hogan, 20, of Newport. They had taken the four-seater Beechcraft Bonanza aloft for an instrument check.

Primitive tribesmen in Brazil have shot arrows at low-flying planes and hit them, says the National Geographic society.

IF YOU'VE BEEN DESPERATE FROM SYMPTOMS OF ASTHMATIC COUGH, BRONCHIAL CONGESTION

Don't Fail To Read This:

A great number of people who have tried the medicine PENNYL have noted spectacular relief from the symptoms usually associated with ASTHMATIC COUGH and BRONCHIAL CONGESTION. If you have ever suffered through the agony of an attack, when you choke up, gasp for breath, and cough spasmodically because of mucous congestion, then you will certainly appreciate the importance of knowing about this. NOT an injection, PENNYL is used solely as an expectorant aid, is taken internally only when needed. Relief of symptoms is almost immediately apparent with the first few doses. In line with increasing requests, PENNYL has been made available to readers of this paper, who can obtain a bottle simply by mailing this clipping to OREGON DRUG PRODUCTS, Dept. 307, Peaskeville, N. Y. No money need be sent. You pay the postman when it is delivered. Just make certain that your name and address are plainly printed on back of the envelope, so you will be sure to get your supply without delay. \$3.00 plus C.O.D. mailing charges is the cost of this medicine, and when you get relief from the dread symptoms, you will agree that this is one of the best investments you ever made.

Plans were made at the meeting for the awarding of prizes for mission activity at the next C.S.M.C. event to be held on May 11 at Mount St. Mary's College, Emmitsburg.

Ellen Rocks and John Roddy Jr. have entered the Hearst annual oratorical contest on Robert E. Lee. The area elimination will begin during the first week of May in Baltimore. Each year a specific theme is given to high school students so they may readily recognize the deeds of our forefathers.

Plans are being made for a dance on May 6 during which a cake walk will take place. Two cakes will be awarded as prizes. Prizes will be awarded for the best jitterbugs. Tickets can be purchased from class councilors.

Arrangements were made at a

meeting of the Children of Mary Tuesday to hold a reception May 4 for members of the organization.

The film, "Julius Caesar," will be featured at the Gem Theater this evening and Friday and Saturday nights at 7 o'clock. Virginia Joy, Patricia Wivell and Lindora Forney have been awarded certificates for passing shorthand tests at 100 words a minute. Gerard Bialecki and Maria Kramer passed tests dictated at 80 words a minute.

She said she had been suffering from a head cold for six months and "I did take too many phenobarbital for no reason at all except that I'm exhausted. I'm supposed to take three a day."

Miss Barrymore, in slacks and blouse, sat cross-legged in a deep chair in and posed with her French poodle for photographers.

"It's not easy touring," she said. "I'll be exactly six months we've been on the road when we close in a week and a half at New Haven. I only tried to calm my nerves."

After a rest, she said she plans to enter summer stock.

At City Hospital a doctor had diagnosed Miss Barrymore's condition Wednesday as "drug intoxication—an overdose of sleeping pills."

One study of school children showed that none of the group with normal vision failed in their studies, but that 37 per cent of those who had visual troubles failed.

Jelke Is Given Two To Three Years

NEW YORK (AP)—Mickey Jelke has been given a prison sentence of two to three years on his conviction in the cafe society vice case.

The sentence was imposed on the young heir to an oleomargarine fortune after a 13-minute plea by defense attorneys for leniency.

Jelke, who was tried twice, was convicted of inducing Pat Ward to live a life of prostitution and of attempting to induce Marguerite Cordova to do the same.

His first conviction was thrown out because the trial judge excluded press and public during presentation of prosecution testimony.

The sentence given in the second trial was less than that imposed after the first—three to six years. He could have received a maximum term of 40 years. Jelke is 25 years old.

Judge Francis L. Valente, who heard both trials, said before the sentencing Thursday there never had been any question of Jelke's guilt.

Although oranges were more expensive than apples 45 years ago, apples now are usually the more expensive.

WINDSTORM LOSSES

Policyholders are reminded of the provision in their policies requiring immediate notice of loss to the Company. Any March windstorm losses not yet reported should be reported to your Agent or Company immediately. It should be noted that most Companies want their adjuster to see the damage before it is repaired.
